

**S**ixteen candles all a-sparkle, on September twenty-fourth  
**T**elling us the time has come to learn to drive and more  
**E**xplore, excel, expand & read, who knows where it may lead  
**P**ursue your possibilities, your passions, hopes and dreams  
**H**ave lots of fun with friends you meet at school & USY  
**A**ppreciate the music, and the times you vocalize  
**N**ous savons que vous aimez le français and history  
**I**n fact you love most animals, on land or in the sea  
**E**xcept for creeping spiders, that you really do detest  
you're pretty easy going,, & blessed with common sense  
**B**est wishes from sibs Jess & Zach whose words will make you smile  
**E**njoy the extra space at home, you're like an only child!  
**T**ruly mom & dad adore your verve and *joie de vivre*  
**H**appy sixteenth birthday, we all love you, *Stephanie*
